Introducing our new professional, holistic, organic hair colour and product range OWAY, Organic Way. Oway is eco-sustainable, fair trade hair care with essential oils and biodynamic active ingredients in 100% recyclable aluminium and glass packaging. Oway is the first nourishing ammonia-free colouring system with biodynamic and organic oils, activated with a fluid developer based on illipe butter. Loved by our hair stylists and clients, Oway's Hcolor has been voted Best Hair Color 2016 in the Green Beauty Awards and Best Ammonia free Hair Color in 2015 and 2016.

We recommend a patch test 24 hours before your first colour application.
